SUBJECT: Notice of Selection, Request for Proposals Specification No. ES17-0269F
Jefferson and Hood Street Surface Water Interceptor

Thank you for your response to the subject specification. The Evaluation Committee has completed their review and evaluation of the submittals. We are pleased to inform you that your firm has been selected to enter into contract negotiations. The City's Project Manager, Kristy Beardemphl, will be in touch soon to schedule the negotiations.

All Proposers, in accordance with RCW 39.10.330, will be notified upon successful negotiations and prior to award of the contract, and a selection summary of the final proposal will be made available at that time. If negotiations are unsuccessful, the City will begin negotiations with the next highest-ranked Proposer.

Sincerely,

Patsy Best
